## VIEW FROM THE CELLAR

"[The] wine offers up a deep and nascently complex bouquet of plums, dark berries, Cuban cigar wrapper, chocolate, a nice touch of Tempranillo spice tones, smoke and new oak... the wine is deep, full-bodied and shows off lovely old vine creaminess... with excellent focus and grip, budding complexity and a very long, suavely tannic and impeccably balanced finish. I like the oak signature of this wine, which is both nutty and spicy at the same time... This is a gorgeous wine... 2030-2080."
