RIBERA DEL DUERO
 Denominación de Origen Protegida

Located in Gumiel del Mercado, in the province of Burgos, our wines are made exclusively from our grapes from soils combined with limestone, sand, clay, and gravel at an altitude of 830m. We have 123 acres of vineyards, the most widespread red variety is “Tinta fina” or “Tempranillo”, with approximately 111 acres. Cabernet Sauvignon has 4 acres, Merlot has 2 acres and “Albillo” (white variety) has 4 acres.

In 2003, the construction of our winery was completed. A space equipped with the latest technology, but above all was designed to respect our treasure: our grapes. All processing work is done by gravity, minimizing the damage to the raw material. The main objective is to follow a sustainable viticulture, a true reflection of quality wines.

Reviews:

“Although this was notably woody and tight when first opened, it opened and broadened very impressively with an hour’s worth of aeration, and got nothing but better for 48 hours after being tasted initially. I’d expect nothing less from this already-superb and still-improving producer, which is family-owned and firmly rooted in its rather sleepy village of Gumiel de Mercado. This top-of-the-line bottling from 2019 is admirably concentrated and flavorful but without seeming overblown in any respect, staking its claim to excellence on purity of fruit more than sheer weight. The finish very long and virtually perfectly proportioned once the wine opens a bit, with fruit, acidity, wood and tannin all working together in beautiful harmony.”

“The 2019 ‘Reserva de Familia comes from vines more than 70 year old that are grown in sandy clay soils. A brooding, deep color greets you, as the wine deftly battles both verve and power in the glass. In the end, like a heavy-weight boxer, the power emerges, with massive dark and blue fruit flavors that are tamed with firm tannins and espresso ground flavors. A truly stunning wine, this is just a joy to consume now — but do your best to resist this massive wine for at least another year if you can. Drink 2024-2045-”

“The Reserva de Familia is the very old vine bottling from Bodegas Arrocal, as these more than seventy year-old vines all hail from the vineyard of Guardaviñas, which is planted at eight hundred-sixty meters of elevation and, of course, farmed organically. These old tempranillo vines produce very low yields and the wine is fermented with native yeasts, undergoes malolactic fermentation in cask and is raised in seventy percent French and thirty percent American oak casks for fully two years before bottling. The wine comes in at 14.5 percent alcohol in 2019, but is seamless and offers up superb depth in its bouquet of sweet dark berries, black plums, cloves, cocoa powder, stony soil tones, cigar smoke and a lovely foundation of cedary oak. On the palate the wine is deep, full-bodied, focused and complex with a superb core of old vine fruit, excellent soil undertow and grip, ripe, buried tannins and impeccable balance on the long and very classy finish. This is still a puppy and deserves more bottle age to blossom fully, but if you splurge for a case, it is certainly not a crime to open a bottle or two in this first blush of youth! Great juice. 2030-2085.” **94 points View from the Cellar;** John Gilman -Issue #103 January/February 2023.
