"Shows good "gutsiness" and density,... but without being heavy or tiring to drink,... Aromas and flavors of mulberries and black cherries are very attractive, with some savory undertones that keep the wine interesting sip after sip. Made by the exceptionally talented Issac Fernandez and imported by the irrepensible Aurelio Cabestrero, this should be relatively easy to find for the category...and an exceptionally good ambassador for it. A wicked good wine to pair with burgers or other un-fussy foods, but certainly not limited to that purpose."
