

Finca Luna Beberide 2018

D.O. Bierzo

Grapes: 100% Mencia

92 points

"The aromatic, floral, elegant and subtle 2018 Finca Luna Beberide was love at first sight. From its bright purple color denoting youth to its intoxicating nose and the purity like no other vintage before, it really captivated me. It was produced with Mencia from 60-year-old vines in Villafranca del Bierzo and has unprecedented finesse and elegance. The palate is juicy, fresh and refined, but with energy and light, very clean and focused. This is drop-dead gorgeous. One to buy by the case at this price!"
