

Luna Beberide Art 2016 (Red Wine)

The winery was founded in 1986 pre-dating the modern renaissance of Bierzo. Now run by the second generation lead by Alejandro Luna, they own over 200 hectares of vineyards, including very old vines at high elevations around the village of Villafranca del Bierzo and in Dragonte.

The philosophy of the winery is to produce wines based on quality of and respect for the land, with a focus on the native grapes of the region, Godello for white wine and Mencia for red wines.

Winemaking starts with all grapes being hand harvested into 18 kilo boxes. Careful cluster sorting, eliminating unsound bunches continues the push toward quality. All varietals are fermented separately with native yeasts prior to aging in oak barrels.

“Strawberries and raspberries, dusted in pepper and spices. The palate has a supple and even paced feel with plenty of flesh and bright, approachable blue-fruit flavors. Silky. Drink or hold.” **93 points JamesSuckling.com**; August 2018
