

Legado del Moncayo Dry Muscat 2016

D.O. Campo de Borja
Grapes: 100% Muscat

Great Value

The Washington Post

Muscat generally tends to be sweet. Dry versions like this one retain the grape's flowery and citrus character. Think of standing in a lemon grove near the ocean on a breezy day. This is delicious by itself but would be a great partner for seafood salad or paella.

 Imported by Grapes of Spain
Selected by Aurelio Cabestrero®
