

# Nuestro 8 Meses 2018 (Red Wine)

Nuestro wines come from a family tradition, whose beginnings go back to 1865, when the first Nuestro vines were planted (pre-phyloxera times). The current generation began collaborating with the Montaña family (well known in Rioja for their prestigious Viña Otano range) to continue this work with great success. The winery is located in Fuentelcesped - Burgos, in the best area of the Ribera del Duero appellation, a town which is historically known for the high quality and capacity of its wine to age well.

The winery utilizes a number of methods to produce the best possible wine including multiple thinning/green harvest passes through each plot, mechanical weeding (no chemicals used), application of organic fertilizer (from composted winery waste) and hand-harvesting of the ripe fruit. Their vineyards range in age from 30 to 155 years old. All the fruit is estate grown.

Nuestro means Our, and the aim is to share Our wines, Our tradition, Our culture, Our gastronomy and life philosophy. with our customers and friends. You are part of it. It is Nuestro.

## Reviews:

“The Nuestro “8 Meses” Tinto is composed entirely from tempranillo and aged for eight months (as the name suggests) in French oak barrels, prior to bottling. The 2018 version comes in at 14.5 percent octane and offers up an attractive bouquet of black cherries, cigar wrapper, a nice base of soil tones, espresso, spices tones redolent of clove and nutmeg and a deft framing of cedary oak. On the palate the wine is bright, full-bodied and nicely soil-driven, with a good core of fruit, moderate tannins and fine length and grip on the nascently complex finish. These vineyards lie at more than nine hundred meters above sea level and this can be felt in the backend bounce and vibrancy. Good juice. 2023-2045+.”
