

Paixar 2018

D.O. Bierzo

Grapes: 100% Mencía

96
points

"The 2018 Paixar is all violets, wild berries and raspberry leaves, a captivating, aromatic, floral and elegant expression of old-vine Mencía...It's all very classic, but the wine has a very modern and clean profile, a change that perhaps started with the also cooler 2016 vintage. The wine is still powerful and has energy, but there is a level of sophistication, elegance and nuance I hadn't seen before. It's clean and floral and has depth and nuance. But it's on the palate and the beautifully textured mouthfeel that you see the greatness of this wine, which has all the ingredients to develop for a long time in bottle. I think this is the finest vintage of Paixar to date...Bravo!"
