

Prima 2015 (Red Wine)

Bodegas y Vinedos San Roman is a family owned winery that was founded by iconic winemaker Mariano Garcia in 1998 as Bodegas y Vinedos Maurodos. His vision was to produce world class wines which balanced freshness and longevity in the bottle against the renowned power of the region's wines. The vineyards are planted mainly with Tinta de Toro, a local clone of Tempranillo that has adapted to the local region. In general the vines offer smaller berries and bunches than Tempranillo in other regions, and yields wines that offer deep colors, intense aromas and robust structure. Prima, their entry level wine, has started to incorporate a higher percentage of Garnacha in the blend and is now aged partially in large wooden vats as opposed to barrels.

Reviews:

"Ripe black-fruit aromas blend with notes of sandalwood, turned earth and graham cracker to form a complex and inviting nose. A dry tight tannic palate is proper and drumming, while this Toro tastes of blackberry and wood spice prior to a focused but dry and tannic finish. Drink through 2024." **91 points** *The Wine Enthusiast*; December 2018

"Orange peel and plum notes make this a rather sweet Toro. The tannins are correspondingly moderate, and the finish is fresh and quite dry. Drink now." **90 points** *JamesSuckling.com*; August 2018

"This red offers a polished texture supported by a firm backbone, and offers reserved but harmonious flavors of black cherry, licorice, graphite and smoke. Drink now through 2025." **90 points** *Wine Spectator*; October 15, 2018

"Forward, with nice concentration, the 2015 Prima Toro shows wonderful dark fruits with milk chocolate tones on the palate. With good lift and weight, this excellent value will cellar well over the next five to seven years." **90 points** *International Wine Report*; June 2018

"The 2015 is juicy and young but it soon opens up to reveal a fine wine. In this vintage they started using some 500-liter oak barrels for the aging, where the wines age slowly, which is something they like for a wine like this where they want to preserve the fruit. This meaty red will result in some 200,000 bottles. *Tasted from tank immediately prior to bottling*" **88-90 points** *The Wine Advocate*; Issue #229 - February 2017

"The wine comes in at 14.5 percent octane and offers up a fine bouquet of black cherries, black raspberries, a bit of pepper, a good base of soil, woodsmoke, a touch of cola and hung game. On the palate the wine is ripe, full-bodied and nicely spicy, with a good core, chewy tannins and a long, well-balanced and robust finish. This is ripe, but not particularly warm on the backend and is really quite a good example of Toro. 2018-2030+." **89 points** *View from the Cellar*; Issue #75 - May/June 2018
