

San Roman 2017

D.O. Toro
Grapes: 100% Tinta de Toro

94
points

winereviewonline.com

“The 2017... San Roman is packed with power... and... is recommended for cellaring or for more near-term consumption by those who enjoy overtly spicy, toasty wood accents along with big fruit flavors... this is still undeniably excellent in its way, with dark berry fruit and savory undertones... managing to hold their own despite the very prominent influence of new oak... For the patient, this will prove immensely rewarding.”

Imported by Grapes of Spain
Selected by Aurelio Cabestrero®
