

San Roman Malvasia 2018

D.O. Toro
Grapes: 100% Malvasia

92
points

“[P]roduced with Doña Blanca grapes, which are known locally as Malvasía Castellana, a more austere grape that shows more the soil than the variety ... It’s a grape that shows vibrant acidity and minerality. This is delicious now but has the balance and stuffing to develop in bottle.”

Imported by Grapes of Spain
Selected by Aurelio Cabestrero®
