

Pago de la Jaraba Sauvignon Blanc 2022 (White Wine)

Pago de La Jaraba is a family-owned winery built in the heart of La Mancha. While they can trace a history of notable regard for wines grown on the estate back to the mid-1700's their current goal is to produce high-quality, exclusively estate-sourced, flag-waving examples of the new “modern-traditional balanced” wines coming out of Spain.

They follow traditional, sustainable methods and farm 80 hectares of vineyards. In addition, they also grow cereal crops – wheat and barley as well as sunflowers, almond, pistachio and olive trees. Finally, they raise their own flock of sheep on estate scrub/forest both to enhance and protect soil quality and for production of artisan Manchego cheese.

Reviews:

Pago de la Jaraba Sauvignon Blanc 2022 (La Jaraba). The scent of Fuji apple and slivered almonds set the stage for white peach, passion fruit and honeysuckle flavors set into a vivid acid backbone. This wine is ideal for those who like wines with a strong floral character. Grapes of Spain.

“Made from Sauvignon Blanc grapes, this offers a soft texture on the palate, with copious minerals that play well with lemon rind, green melon and shades of cashew nut flavors. Enjoy in its fresh youth. Drink 2023-2028”

“The 2022 Pago de La Jaraba” Sauvignon Blanc comes in at a sleek twelve percent alcohol in this vintage. The wine’s aromatic constellation is bright and complex, hopping from the glass in a mix of lime, fresh-cut grass, orange peel and a lovely base of stony soil tones. On the palate the wine is vibrant, medium-full and wide open in personality, with a good core of fruit, fine soil undertow, good framing acids and a long, well balanced and complex finish. A lovely example and an excellent value! 2023-2027.”
