ACENTOR

"...It offers up a bright and floral nose of lemon, green apple, white soils and a floral topnote. On the palate the wine is bright, full-bodied and nicely zesty, with a good core and quite respectable length on the finish. This strikes me as one of those white wines fermented with selected yeasts to produce specific flavors and aromatics, but I do not know this to be the case. It just seems to have that type of personality..."
