explains all things wine

“Saturated ruby. Smoke- and spice-accented cherry, cassis, vanilla and mocha aromas show fine definition and pick up a hint of cured tobacco as the wine opens up. Sweet and energetic on the palate, offering intense dark berry, cherry cola and licorice flavors sharpened by a spicy nuance. Shows strong energy and solid thrust on the impressively persistent finish, which is given shape by youthfully gripping tannins. 50% new French oak. 2024-2034”
