

Arrocal Village 2023 (Red Wine)

Located in Gumiel del Mercado, in the province of Burgos, our wines are made exclusively from our grapes from soils combined with limestone, sand, clay, and gravel at an altitude of 830m. We have 123 acres of vineyards, the most widespread red variety is “Tinta fina” or “Tempranillo”, with approximately 111 acres. Cabernet Sauvignon has 4 acres, Merlot has 2 acres and “Albillo” (white variety) has 4 acres.

In 2003, the construction of our winery was completed. A space equipped with the latest technology, but above all was designed to respect our treasure: our grapes. All processing work is done by gravity, minimizing the damage to the raw material. The main objective is to follow sustainable viticulture, a true reflection of quality wines.

Appellation	D.O. Ribera del Duero
Grapes	85% Tinto Fino, 10% Garnacha, 5% Albillo Mayor
Altitude / Soil	800 to 920 meters / alluvial sand, clay and pebbles
Farming Methods	Practicing Organic
Harvest	Hand harvested fruit. Early harvest
Production	Destemmed all grapes were co-fermented together with native microbes in stainless steel tanks for 10 days with skins
Aging	Aged for 12 months in 225 L – 500L oak barrels and 50 HL Foudres
UPC / SCC / Pack Size	8437005781078 / 18437005781075 / 12

Reviews:

“The 2023 Gumiel del Mercado Village was produced exclusively with grapes from the family vineyards in their village, all now certified organic (as of 2023), from different soils and places, looking into balancing the fruit, freshness and structure through the blend. It's mostly Tempranillo (Tinto Fino) and around 5% each Garnacha and Albillo Mayor. The grapes were harvested early, each plot fermented separately with indigenous yeasts, and the wine matured for 12 months in oak containers of different sizes and shapes—barrels, foudres and vats. It's fruit-driven and has notes of fresh berries, flowers and herbs, with the oak perfectly integrated, really taking me to the character of the wines from before the era of excess. It's juicy, medium-bodied, balanced and elegant, not terribly complex but very pleasant and approachable, with great purity. The parameters are 13.5% alcohol, a pH of 3.6 and 5.2 grams of acidity. Great value for money too. They produced a notable volume of this wine: 148,000 bottles! It was bottled in January 2025.” **93 Points The Wine Advocate**; Luis Gutierrez Jun 19, 2025

92 points Tim Atkin-MW.

“...This bottling is composed from a blend of ninety percent Tempranillo and five percent each of Garnacha and Albillo. The wine is aged for nine months in a mix of French and American oak barrels, with the casks three years of age. It reveals a precise and youthful aromatic constellation of red and black cherries, pipe tobacco, lovely tempranillo spice tones, a complex base of soil tones, peonies and a gentle framing of oak. On the palate the wine is pure, full-bodied, focused and tangy, with a lovely core of fruit, ripe tannins, fine balance and a long, nascently complex and a vibrant, very promising finish. This is still a puppy and will need some time in the cellar to soften up its tannins, but it is going to be a lovely wine once it is ready to drink. It is an outstanding value! 2035-2075+”.
