

Biutiful Cava Brut (Sparkling Wine)

The Biutiful Cavas are produced utilizing the latest technology. The vineyards are located in the area of d'Espiells, the highest, windiest part of the municipality of Sant Sadurni d'Anoia. Bordered to the south by the coastal Serrelada mountains and to the north by the Montserrat mountains, the vineyard enjoys an exceptional microclimate. The soil is alluvial and comprises of three layers. The first consists of clay and silt, the second, pebbles and loose stones, and the third, the deepest, consists of fine sand that compacts down and is called "sauló".

The three base wines used for this cava - Macabeo, Xarel·lo and Parellada - are always made separately. The grapes are chilled to preserve the precursors of the aromas contained in the skins and to avoid any oxidation. The first fermentation takes place over 30 days at 15°C, following which the coupage, or blend of the different base wines is created. The wine then undergoes its second fermentation, in bottle, during which the yeast transforms the wine into cava and produces the characteristic bubbles at the same time. Total residual sugar after disgorgement and dosage is 8g/l.

Appellation	Cava D.O.
Grapes	50% Macabeo, 35% Parellada and 15% Xarel·lo
Altitude / Soil	200-600 meters / The soil is alluvial and comprises three layers; clay, pebbles and sand
Farming Methods	Traditional methods
Harvest	By hand or machine during the night for preserve all the aromas that are in the grape
Production	Méthode Champenoise (second fermentation in bottle)
Aging	Aged for a minimum of 12 months on the lees prior to disgorging
UPC / SCC / Pack Size	8437013498167 / 8437012498174 / 12

Reviews:

"Isaac Fernandez Seleccion NV Biutiful Brut (Cava). Vibrant aromatics of citrus, mountain herbs and blossoms, and a sea-side freshness. Flavors pick up light richness of buttered brioche while the acidity stays firm, driving into a long finish."

89 Points Wine Enthusiast; Best Buy. —E.C.B; October, 2025

"The Biutiful Cava Brut is composed from a blend of fifty percent Macabeu, thirty-five percent Parellada and fifty percent Xarel·lo. The bodegas harvests the grapes at night to preserve acidity and the wine is aged for twelve months on its fine lees prior to disgorgement and a finishing *dosage* of eight grams per liter. The most recent release delivers a bouquet of orchard fruit, white flowers, a lovely base of salty soil tones and a topnote of wild fennel. On the palate the wine is vibrant, full-bodied, focused and nicely balanced, with frothy *mousse*, good acids, fine depth at the core and a long, complex and focused finish. Good juice and a fine value. 2025-2035."
