

## Cartago Paraje de Pozo 2020

D.O. Toro

Grapes: 90% Tinta de Toro  
and 10% Other grape varieties

**95 points**  
WINE ADVOCATE

"The dark, almost opaque red 2020 Cartago Paraje del Pozo, pure Tinta de Toro from ancient engrafted vines, is quite a bruiser, with 15% alcohol and packing abundant tannins, but the tannins are very fine and make it finer-boned than what I expected from the color and nose. It's very smoky, with toasty notes and a hint of fountain pen ink and graphite—think black. I'd still wait to pull the cork; it's going to take bottle aging to tame those tannins. The élevage was long, 31 months in new and used French oak barrels. 3,600 bottles produced. It was bottled in July 2023. This is one for the long haul."
