Reviews:

“The perfumed, elegant and harmonious 2021 Finca Luna Beberide is serious and balanced. It feels young and energetic. This is now a vino de paraje from Valdetruchas in Villafranca del Bierzo, and it matured in barrel for 10 months. It has notes of flowers, herbs and wild berries with a touch of smoke and spice. It’s fresh and balanced, with 13.5% alcohol. 50,000 bottles produced. It was bottled in January 2023. The Luna Beberide family has been producing modern Bierzo wines since 1988. They work over 50 hectares of vineyards and bottle around 150,000 bottles per year. Paixar was one of the first icons from Bierzo.”

“The Finca Luna Beberide is planted with sixty-plus year-old Mencía vines, on the same soil mixture of slate, chalk and clay as the regular bottling from this fine estate. The wine is aged in a mix of new and used French oak barrels. The older vines give a more precise and complex bouquet, offering up scents of cassis, pomegranate, graphite, slate minerality, pepper, French roast, cigar smoke and a discreet framing of cedary oak. On the palate the wine is deep, full-bodied, mineral-driven and tangy, with a superb core of fruit, excellent focus and grip, ripe, fine-grained tannins and a long, complex and vibrant finish. This is outstanding juice. I would opt for giving it some time in the cellar to let its tannins fade away a bit, but it is so well balanced that drinking it in its youth is hardly a chore! 2028-2075.”
