

## Garmon 2021

Ribera del Duero D.O.

Grapes: 95% Tempranillo 5% Cabernet Sauvignon

# 97points

**Tim Atkin**<sup>NW</sup>

"Eduardo García makes this outstanding assemblage of Tinto fino and 5% Cabernet Sauvignon with grapes sourced from Anguix, Baños de Valdearados, Moradillo and Tubilla del Lago. It's a wine that illustrates his skills as a blender showing a well-judged combination of structure and acidity. Clove spice, plum, orange zest and blueberry flavours are framed by scented, lightly toasted oak. One of the best Garmón releases yet. 2026- 2040"
