

# Luna Beberide Art 2018 (Red Wine)

**ART** Viña "La Recuperada"  
Luna Beberide  
2018

The winery was founded in 1986 pre-dating the modern renaissance of Bierzo. Now run by the second generation lead by Alejandro Luna, they own over 200 hectares of vineyards, including very old vines at high elevations around the village of Villafranca del Bierzo and in Dragonte.

The philosophy of the winery is to produce wines based on quality of and respect for the land, with a focus on the native grapes of the region, Godello for white wine and Mencia for red wines.

Winemaking starts with all grapes being hand harvested into 18 kilo boxes. Careful cluster sorting, eliminating unsound bunches continues the push toward quality. All varietals are fermented separately with native yeasts prior to aging in oak barrels.

**Reviews:** "Lurid ruby. Highly expressive red and blue fruit aromas display excellent delineation and pick up floral and exotic spice nuances with aeration. Juicy and vibrant on the palate, offering sweet boysenberry and bitter cherry flavors that show strong tension, underscored by a vein of smoky minerality. Delivers outstanding delineation and spicy fruit thrust on the impressively long, floral-driven finish, which is given shape by smooth, harmonious tannins. Aged in a combination of new and used French oak barrels. 2023 – 2032

"A little more classical and varietal than the super floral Finca Luna Beberide but also showing how good 2018 has been at this address, the 2018 Art combines the textbook notes of licorice, wild berries, plants and flowers with a deft touch of spices and smoke. This comes from very old vines and matured in barrique for 14 months, yet the oak does not play a role in the aromatics or flavors—it feels completely integrated and neatly folded into the fruit. 12,500 bottles produced. It was bottled in March 2020." *Robert Parker*

"Alejandro Luna grows this fruit on south-facing hillsides ranging from 2,300 to 2,950 feet in elevation, the vines more than 60 years old. With 16 months in French oak barrels, the wine has grown supple and round, showing some notes of butterscotch over the black-skinned-blueberry flavors. It's high-toned and lasting, delicious with roast duck."

"[The] bouquet offers up a pure and complex blend of cassis, dark berries, tree bark, dark soil tones, a touch of smoked meats, black tea, licorice, slate and a nice touch of spicy new oak. On the palate the wine is full-bodied, deep and nicely structured, with a good core, excellent soil signature and grip, chewy tannins and a long, complex and very promising finish. Because of the utilization of all new casks here, this wine still needs some extended time to fully integrated its oak tannins on the palate before it will start to drink well. However, it should have the stuffing to carry the wood in due course and should be very tasty... 2026-2055+."
