THE CELLAR

"..The wine is fermented with indigenous yeasts with thirty percent whole clusters, with half the wine undergoing malo in older French casks and then aged for six months in three and four year –old barrels. It is bottled without fining or filtration and the 2020 version comes in at 14.5 percent octane. It offers up a deep and ripe nose of black raspberries, fruitcake, pepper, roasted game and garrigue. On the palate the wine is deep, full-bodied and rock solid at the core, with firm tannins and good focus and grip on the long and gently warm finish... 2027-2050"
