“The 2022 version is lovely aromatically, wafting from the glass in a mix of tart pear, green olive, fresh lime, a pretty base of soil tones, a touch of damp grass and a topnote of white flowers. On the palate the wine is bright, fullish and zesty, with a good core, nice soil undertow and grip, fine focus and a long, fairly complex finish. 2023-2029.”
