

Mar De Viñas 2023 (White Wine)

Adegas Gran Vinum is a second generation, family-owned winery that has been producing Albariño since the 1980's, prior to the creation of the Denomination of Origin Rias Baixas. They focus exclusively on Albariño from the Val do Salnes sub-region, which offers vineyard sites with distinct maritime influence. The wines produced from both estate vineyards and vineyards they manage seek a repeatable saline undercurrent to the typical peach, apricot and floral aromas of Albariño.

Reviews:

"2023 Mar de Vinas Albarino- The bright 2022 Mar de Vinas Albarino is sourced from 30 year old vines. Saline drenched pear and cashew nut flavors combine with green papaya on the palate. Really good now, enjoy over the next few years. Drink 2024-2030" **91 Points OwenBargreen.com**; Owen Bargreen - November 18, 2024

"The 2023 Mar de Viñas bottling from Gran Vinum is a lovely wine made from thirty year- old vines. The bouquet is bright and complex, hopping from the glass in a mix of lime, menthol, wet stone minerality, lemongrass and a topnote of fleur de sel. On the palate the wine is fullish, zesty and complex, with a good core of fruit, fine mineral undertow and grip, a lovely spine of acidity and a long, well balanced finish. This is very tasty juice. 2024-2032+." **90 points View from the Cellar**; John Gilman -Issue #109 January/February 2024.
