

Pago de la Jaraba Sauvignon Blanc 2024 (White Wine)

Pago de La Jaraba is a family-owned winery built in the heart of La Mancha. While they can trace a history of notable regard for wines grown on the estate back to the mid-1700's their current goal is to produce high-quality, exclusively estate-sourced, flag-waving examples of the new "modern-traditional balanced" wines coming out of Spain.

They follow traditional, sustainable methods and farm 80 hectares of vineyards. In addition, they also grow cereal crops – wheat and barley as well as sunflowers, almond, pistachio and olive trees. Finally, they raise their own flock of sheep on estate scrub/forest both to enhance and protect soil quality and for production of artisan Manchego cheese.

Reviews:

"This is a terrific wine regardless of whether it is everyone's notion of Sauvignon Blanc. But with that said, there are so many different styles of Sauvignon Blanc around the world, from New Zealand's Marlborough to France's Loire Valley's Sancerre (which is itself changing rapidly due to climate change) that anyone stuck on just one style is going to miss out on a lot of very good wine. This shows non-pungent aromas of dried herbs and cut grass that you'll know it is Sauvignon Blanc, but then true medium-body with excellent depth of flavor balanced by plenty of acidity to drive the flavors along and freshen the finish. The flavors include ripe melon with tropical undertones, dried apricot and citrus edging. Quite detailed and yet very coherent in its complexity, this is fun just to drink if that's your preference, but also interesting enough to pay close attention to over an evening."

"The 2024 vintage of Pago de La Jaraba Sauvignon Blanc arrived a few weeks before I wrapped up this second installment on the wines of Spain and Portugal. The wine is bright and youthful on the nose, hopping from the glass in a mix of gooseberry, pink grapefruit, fresh-cut grass, a fine base of soil, limepeel and a topnote of white flowers. On the palate the wine is zesty, full-bodied, focused and complex, with a good core of fruit, fine balance and a long, tasty finish. Good juice and a fine value. 2025-2028."
