

Pago de la Jaraba Sauv Blanc 2021

D.O.P. La Jaraba

Grapes: 100% Sauvignon Blanc

92 points

winereviewonline.com

“[showing] excellent Sauvignon character, displaying citrus and stone fruit more than tropical characters, and with a pleasantly herbal bouquet... Although the brightness of the fruit and its excellent acidity ring true to the variety, with no wood intruding at all, this still seems medium-bodied and substantial on the palate... Amazing value at this address, which is one to remember.”
