THE CELLAR

“The 2022 Sotomonte offers up a bright bouquet of lime, green apple, salty soil tones, white flowers and a touch of grassiness. On the palate the wine is full-ish, vibrant and a touch pinched by its closure, with solid depth at the core (this is the estate’s younger vine bottling), zesty acids and a nice panoply of flavors on the moderately long finish.. 2023-2028.”

*John Gilman - January/February 2023.*

Imported by Grapes of Spain
