

## Xi'ipal Tempranillo 2019

Grapes: 100% Tempranillo- D.O. Navarra

"... The 2019 tips the scales at fourteen percent octane and offers up a deep and youthful nose of dark berries, black cherries, cigar wrapper, a nice touch of meatiness, a fine base of soil, a dollop of tempranillo spice tones and a gentle framing of French wood. On the palate the wine is deep, full-bodied, tangy, complex and nicely structured, with fine depth at the core, good soil signature and grip, ripe, well-integrated tannins and a long, nascently complex and well balanced finish. This too will need plenty of cellaring time to soften up its chassis of tannin, but it will be a fine bottle in due course. 2035-2075"
